*I understand that working on the summer team of SON-Life Camp & Retreat Center means serving and cooperating with the Directors and other summer personnel as unto God, sacrificing personal desires in the interest of the camp and the campers, and following the policies of the camp. My chief goal will be to present Jesus Christ as Lord and Savior to the campers, demonstrating His love as they see Him represented in me. I further understand that failure to cooperate or live by this commitment could mean the immediate termination of my contract.*
